# 5TH INTERNATIONAL SALIVARY GLAND CONGRESS

## Congress Overview

The 5th International Salivary Gland Congress hosted jointly by Penn Medicine, Sidney Kimmel Medical College at Thomas Jefferson University and Christiana Care, is designed to facilitate dissemination of knowledge and discussion of the most important aspects of salivary gland disease. This will be accomplished through presentations from an outstanding multidisciplinary international faculty. The meeting is formatted to allow formal presentation of important new information as well as panel discussions. The Congress will highlight new understanding of xerostomia, inflammatory and neoplastic diseases and new modalities such as sialendoscopy. Immediately preceding the Congress will be the 3rd Annual Jefferson Sialendoscopy Course (details at [cme.jefferson.edu/content/sialendoscopy2019](http://cme.jefferson.edu/content/sialendoscopy2019); see also page 3).

## Objectives

Upon completion of this course, participants should be able to:

- Assess patients with complaints related to salivary gland disease
- Employ diagnostic techniques including advanced imaging and cytopathology
- Define different diagnostic entities in salivary gland disease
- Explain different management options in benign and malignant neoplasia and obstructive diseases of the salivary glands such as sialolithiasis and strictures.
- Identify the cause of obstructive diseases of the salivary glands (i.e. sialoliths, Sjogren's trauma, iatrogenic).
- Describe new technologies for neoplastic and inflammatory salivary gland diseases
- Calculate the advantages and limitations of different approaches
- Create postoperative management strategies for patients with different types of salivary gland diseases
- Employ effective communication skills to ensure information exchanges between all provider teams leading to better overall surgical outcomes and patient experience.

## Target Audience

This program is designed for professionals interested in research in, as well as treatment of, conditions involving salivary glands or saliva. This Congress should be of particular interest to General Otolaryngologists, Head and Neck Surgeons, and Oral Surgeons.

Jointly Provided by Postgraduate Institute for Medicine and Penn Medicine

Postgraduate Institute

Penn Medicine

## Accreditation

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and Penn Medicine. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER<sup>®</sup>  
INTERPROFESSIONAL CONTINUING EDUCATION

## Physician Continuing Medical Education

The Postgraduate Institute for Medicine designates this live activity for a maximum of 14 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity

## Congress Registration

To register please go to [oto.med.upenn.edu/category/cme-conferences-events](http://oto.med.upenn.edu/category/cme-conferences-events)

Information and registration for the 3rd Annual Jefferson Sialendoscopy Course on October 24, 2019 can be found on page 3, or at [cme.jefferson.edu/content/sialendoscopy2019](http://cme.jefferson.edu/content/sialendoscopy2019).

### CONGRESS CANCELLATION POLICY

The Department of Otorhinolaryngology-Head & Neck Surgery/Penn Medicine reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement by the OTO-HNS Department, the Department will refund conference registration fees but is not responsible for any related costs, charges or expenses to participants including cancellation fees assessed by airlines, travel agencies and hotels.

If a participant must cancel his/her registration, he or she may receive a refund if written notification is received by July 1st, 2019. Refunds will not be processed after this date.

## City of Philadelphia

Famous as the birthplace of life, liberty and the pursuit of happiness, Philadelphia delivers one destination, five counties and countless things to do: fascinating museums, vibrant parks, national historic sites and famous (and delicious) food. To find out all that Philadelphia has to offer and to discover your perfect hotel stay visit [www.visitphilly.com](http://www.visitphilly.com)

### CONGRESS LOCATION

#### Smilow Center for Translational Research

3400 Civic Center Boulevard, Philadelphia PA, 19104

A prominent silhouette in the Philadelphia skyline, the 531,000 square-foot, state-of-the-art Smilow Center for Translational Research (SCTR) was described as "the envy of the nation's most prestigious research scientists," by National Institutes of Health (NIH) Director Francis S. Collins, MD, PhD, at the building's 2011 dedication. The Smilow Commons area is ideal for exhibit viewing and participant dining. It also provides an informal space for faculty and participants to gather.

## Congress Lodging

Autumn in Philadelphia is a particularly busy time as many come to enjoy the sites as well as the delightful fall weather. We encourage our attendees to make their hotel reservations as soon as possible due to the heavy influx of visitors. There are many choices as downtown and the university city area have a wide selection of options.

For a full list of the hotels available in Center City Philadelphia Hotels visit [www.visitphilly.com/hotels/center-city-philadelphia-hotels-downtown](http://www.visitphilly.com/hotels/center-city-philadelphia-hotels-downtown)

For those wishing to be within walking distance the Smilow Center for Translational Research (Congress Meeting) we would suggest The Inn at Penn ([www.theinnatpenn.com](http://www.theinnatpenn.com)) or the Sheraton Philadelphia University City Hotel ([www.marriott.com/hotels/travel/plus-sheraton-philadelphia-university-city-hotel](http://www.marriott.com/hotels/travel/plus-sheraton-philadelphia-university-city-hotel))
